Ministry of Encouragement

Dear brethren and friends,

I am very pleased to announce that we are moving to fill a vital need that has been growing in our congregation.

Barbara Davis proposed the idea of a Ministry of Encouragement to the Advisory Council, and it was received with great enthusiasm. We realize that at one time or another everyone needs some encouragement. And there are times when you simply need a friend to come along side, times when you want to connect spiritually with others who understand, times when you feel isolated. This is especially true of those who cannot attend church on a regular basis.

This ministry will offer support, fellowship and comfort to those who want to connect by offering occasional visits from a friend. It encourages both those who are visited, and those who are doing the visiting. It's a win-win situation!

I have asked Barbara to coordinate this ministry. Barbara is a church member of long-standing who recently graduated from The College of Biblical Studies. She is well-qualified to provide leadership to our visiting team, but more than that, she has been gifted with a heart to serve in this ministry. Team members will be equipped to offer communion where it is requested.

So how do you get involved? If you would like a visit, or if you want to be part of the Encouragement team, please contact Barbara. Here's her contact information:

Barbara Davis
Ministry of Encouragement
2946 Almeda Plaza Drive
Houston TX 77045

Email: bad71155@wmconnect.com
Phone: 281-964-5905

So, please do contact Barbara and let the encouragement begin!

Sincerely,

Mark Mounts, Pastor
