Access to CCF Facebook Account via CCF Website

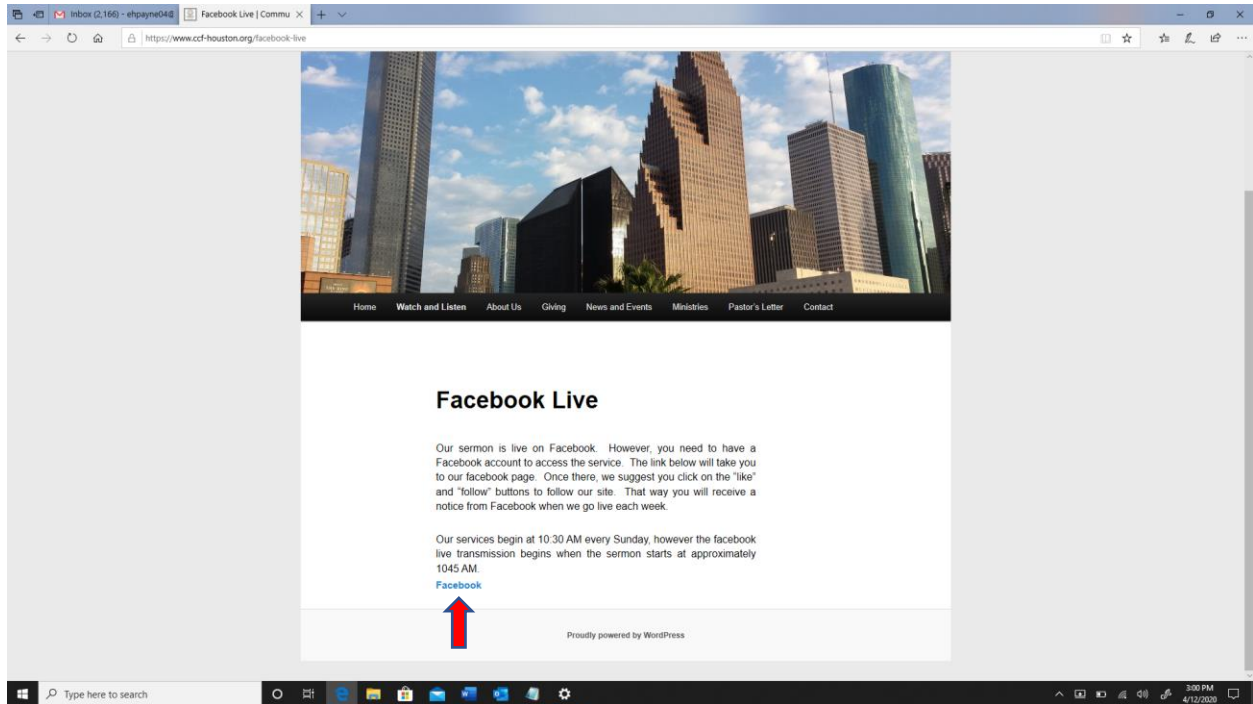

1. Access our Community Christian Fellowship website by selecting our URL: <https://www.ccf-houston.org/> or copying the URL into your browser.

2. Hover over the 'Watch and Listen' tab just below the photo of downtown Houston. You will see three selections: 'Livestream', 'Facebook Live', and 'Audio'. Click on 'Facebook Live'.

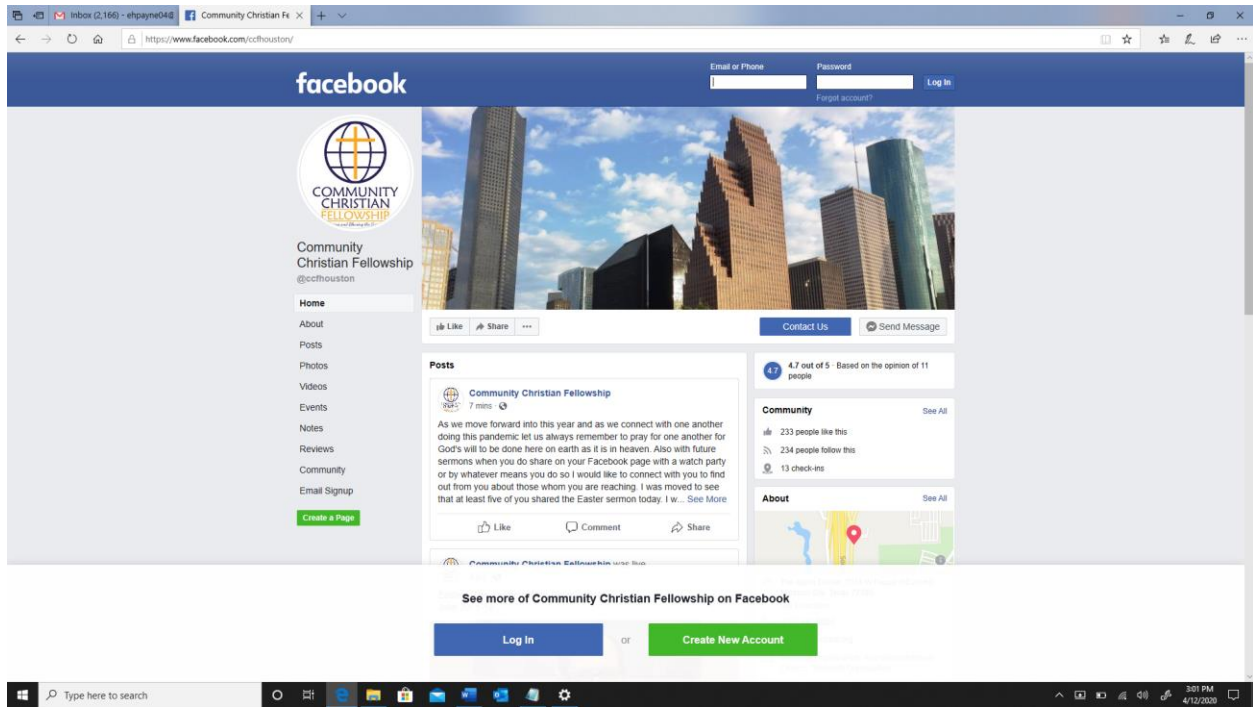

3. You will see the 'Facebook Live' page. Click on the blue 'Facebook' hyperlink at the bottom of the page.

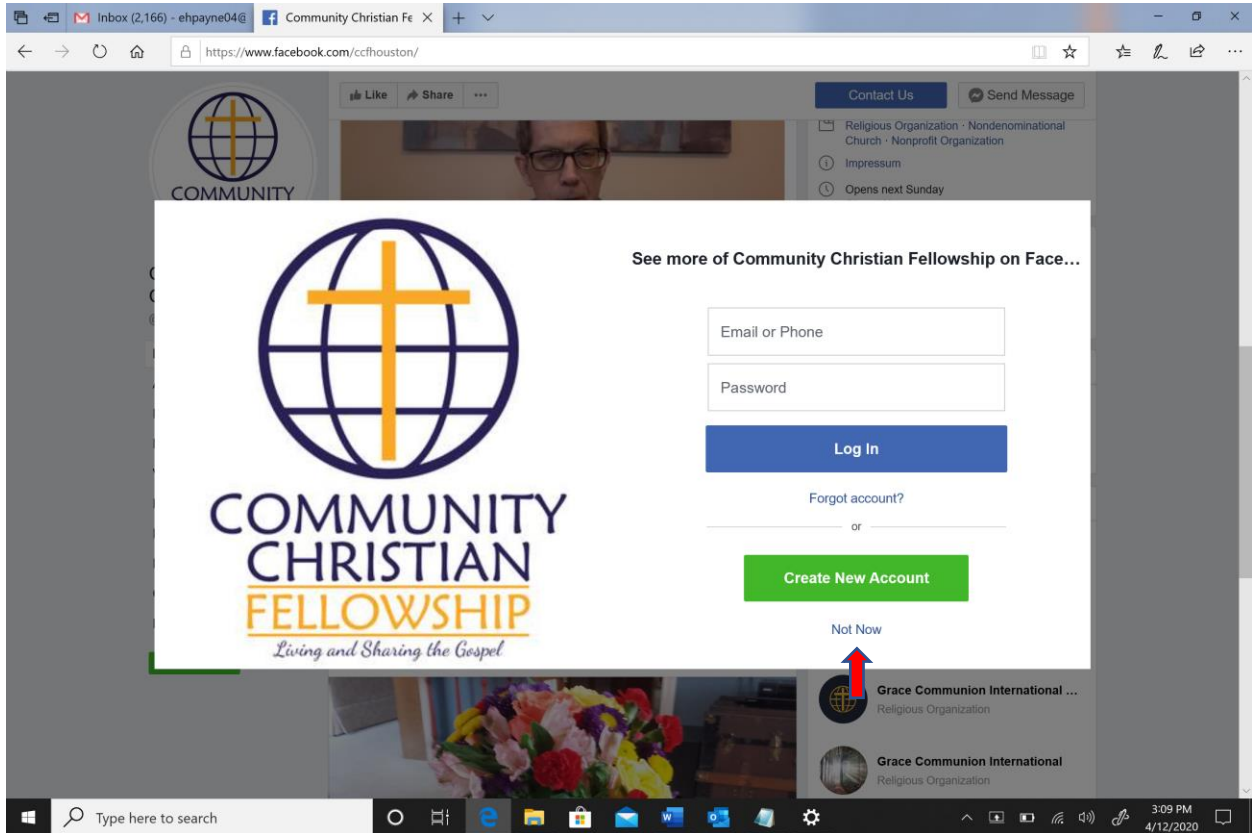

- The blue 'Facebook' hyperlink will take you to the Community Christian Fellowship Facebook account. You do not need to 'Log In' or 'Create New Account'. The most current video or post will appear at the top.

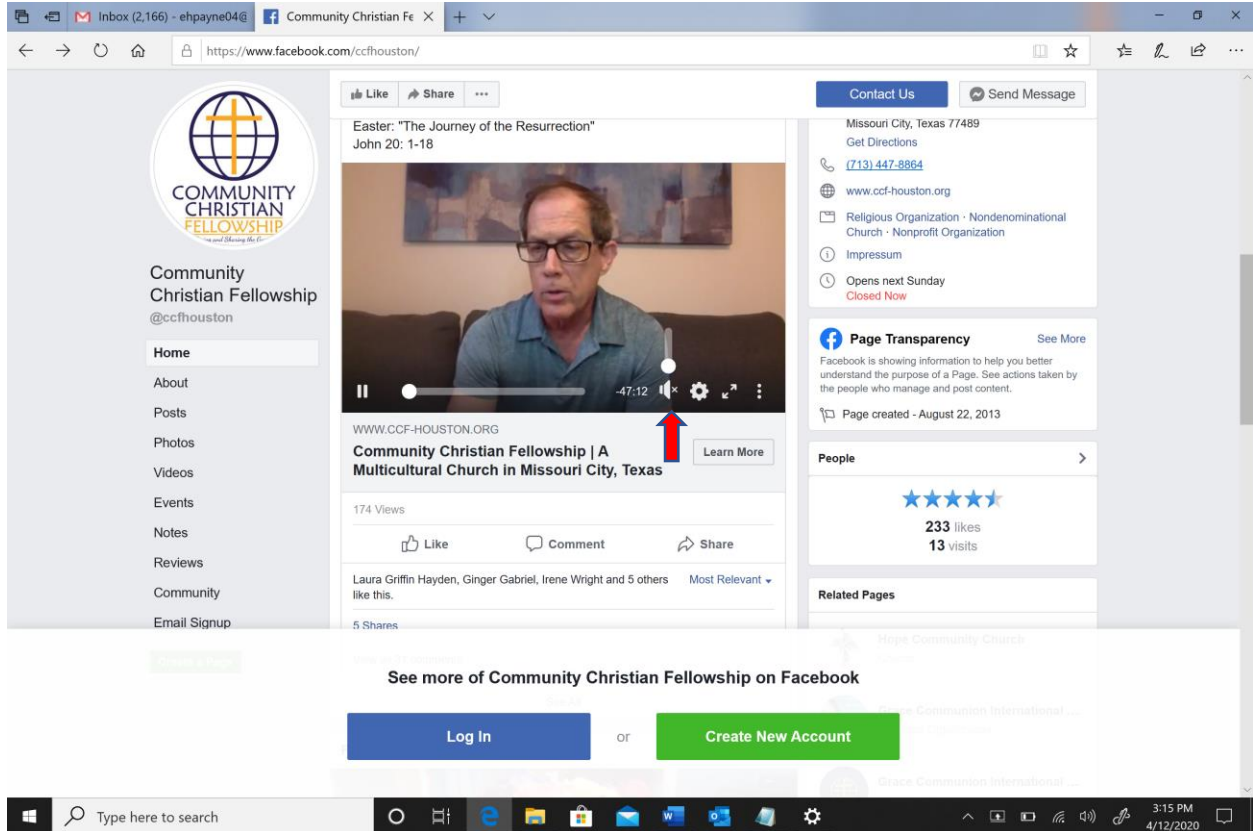

You can use your scroll bar to move the page up and down. Unfortunately, the message 'See more of Community Christian Fellowship on Facebook' will remain on the screen.

5. If you get the message below, click on 'Not Now' just below the 'Create New Account' button and this will close the message.

6. If you are unable to hear the video, be sure to unmute the volume by clicking on the volume button on the screen. You will see a small 'x' next to the volume noting the volume has been muted. It may default to muted.

7. Once the volume button has been unmuted, you should be able to hear the video.
